DECEMBER 2010

Merry Christmas Partners for Life!

Has another year really come and gone? It's hard to believe, but it's true. As the year comes to a close, I've found myself reflecting on the events of the past year here at Sav-A-Life Pregnancy Test Center. We've had a great year – God has blessed us immensely through the changed lives of our clients and through wonderful friends and supporters like you. We enjoyed hearing from Pam Tebow at our 30th anniversary celebration. Her passion for life and for sharing Christ's love were an inspiration to us all. Speaking of our 30th anniversary, did you know that almost 60,000 women and men have been touched by this ministry

over the years? This year alone we've seen a 20% increase in visits here at the center – that means almost 4,400 young women and men facing an unplanned pregnancy have had an opportunity to learn about the greatest Christmas gift of all – Jesus Christ! We know of at least 180 clients who have accepted that gift of salvation and we know of at least 70 women who came in with the intent to end the life of their child, but changed their mind and chose life instead – now that's exciting!

### OUR MISSION

*The mission of Sav·A·Life, Inc. is to help men and women embrace the Truth of God's Word as they make life-affirming decisions about their unborn child.*

Sav-A-Life Pregnancy Test Center is so much more than just a place to find out if you're pregnant! We offer parenting classes, childbirth education classes, an abortion recovery program, clothes closet access and much more to our clients. We have the privilege of seeing God at work in the lives of our clients on a daily basis. Read on to hear how He worked in one abortion-vulnerable client's life:

*"My name is Raishandria and I am 20 years old. I am an expecting mother and a client at the Pregnancy Test Center. The very first day I arrived at the center I was 7 weeks pregnant, sad, confused, and on the edge of having an abortion. The reasons I felt all of those different ways was because of family and friends pressuring me to abort my child. Luckily, I went to the right place! Everyone in the center welcomed me with their arms opened wide! They prayed with me, gave me guidance, and treated me as if I was their own child. If I had not found this magnificent organization, my life would be upside down and I would not be as happy as I am now! They all talked to me about abortion and how it affects people. They helped me build a relationship with God. They gave me love, helped me with serious family issues, and expressed to me that they were trustworthy. And, most important, they are teaching me how to care for my child when she is born! The Pregnancy Test Center is an extraordinary organization and the employees are just angels in disguise. My life was in pieces, but they put it back together through love, prayer, and mentoring! I truly believe that this special place, along with the special people, was put here by God. I am even able to get things I will need for my baby by attending the classes. After my child is born, I will continue to be a client at the Pregnancy Test Center! I love that place with all of my heart! I recommend it to everyone I know that can use the help and guidance."*

As this year comes to a close, we would like to thank you for continued financial and prayer support. If you have fulfilled your obligation to your local church home, we would ask that you prayerfully consider investing in Sav-A-Life, Vestavia with an end of year gift.

May God richly bless you in the coming year!

Lisa Hogan  
Executive Director

*A little child, a shining star.  
A stable rude, the door ajar.  
Yet in that place, so crude, forlorn,  
The Hope of all the world was born.*
