Dear Partners for Life:

Have you ever noticed when good things are happening in God's kingdom, Satan works overtime to try to thwart those efforts? Spiritual warfare is real. We face it every single day in many forms. The good news is this – we know how it will end. God always wins. In spite of this, the evil one will try to take anyone he can down with him. So, Paul gave us this reminder:

“Finally, my brethren, be strong in the Lord, and in the power of His might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.” (Ephesians 6:10-11).

Will you pray with us that God will continue to protect us from obstacles and distractions that might prohibit our efforts here at The Pregnancy Test Center? We continue to see miracles everyday, like Lucy*, who came in to the center today determined to have an abortion. After visiting with her counselor and praying with her, Lucy changed her mind and has decided to give life to her child.

Your financial support and your prayer support of Sav-A-Life allow us to be a part of miracles like the one we experienced with Lucy. Will you please continue your support?

With Passion for Life!
