FEBRUARY 2009

Dear Friends for Life,

I wanted you to hear from one of our precious volunteers this month. The Lord touched this woman's life through a young client she counseled at Sav-A-Life.

*"Cheryl\* was 24 years old and had been living with the man she loved for 2 years. He had asked her several times to marry him but she refused every time. Cheryl saw no value in marriage. She grew up with 5 different dads and witnessed 5 different broken relationships for her mother and their family. She had never seen a marriage that worked!"*

*Now Cheryl is pregnant, and a believer. I empathized with her past and prayed for her healing. I shared from the Word that sexual relations are a gift from God and that sex is meant to be between one man and one woman in holy matrimony. We prayed together asking God to open her heart and eyes to the Biblical truth about marriage.*

*The very next Sunday my Pastor gave a sermon on marriage from Hebrews 13. He talked of two becoming one flesh - how physical union and commitment go together - how God holds marriage in honor and how we are to do the same. I sat in the pew in AWE! Not only was God speaking to me through this sermon, He was also speaking to Cheryl and confirming the words I had spoken to her.*

*The next time I counseled, Cheryl came in for an ultrasound. I had the privilege of speaking with her again. Her grandmother had been encouraging her to marry the man she truly loved - I was grateful that someone was cultivating God's word in her life. I'm happy to say today Cheryl is planning her upcoming wedding.*

*I am blessed to serve at Sav-A-Life and thankful to all of you that support this ministry through your time, prayers and financial gifts. I assure you it's never a waste!*

***God has provided this refuge for young, scared and broken women to receive His Word and the Love of Christ. A place where young women's hearts are being saved and baby's lives are being spared."***

With Passion for Life,

Jeanne Franks  
Executive Director
